# Visual, Auditory, and Kinesthetic Quiz

Read each statement carefully. To the left of each statement, write the number that best describes how each statement applies to you by using the following guide:

1	2	3	4	5
Almost Never Applies	Applies Once In A While	Sometimes Applies	Often Applies	Almost Always Applies

Answer honestly as there are no correct or incorrect answers. It is best if you do not think about each question too long, as this could lead you to the wrong conclusion.

Once you have completed all 36 statements (12 statements in three sections), total your score in the spaces provided.

## Section One - Visual

\_\_\_\_\_ 1. I take lots of notes and I like to doodle.
